HOPE's House Curriculum Introduction

Hope Prison Ministries is not a welfare agency. For what does it profit if a man gain the world and lose his soul (Mark 8:36)? Above all else, we desire that under our care should know Christ, that they would no longer live for themselves but for Him who died and was raised for us! (2 Corinthians 5:15). The ministry's curriculum, which you agreed to complete, is designed to help you repent, to "renew your mind," to "put off the old man" and "put on the new man" (Matthew 3:8; Ephesians 4:22-24). The goal is for you to learn how to "take every thought captive to the obedience of Christ," that you may know what is the "good and acceptable and perfect will of God" (2 Corinthians 10:3-5; Romans 12:1-2). Those unemployed are required to log at least 30 hours, Monday through Friday, of regular study. Those employed are required to log at least 15 hours each week.
